

Black Panther

by Davon Neal

**A Black Panther
not a regular Panther
but a Black Panther
one with nappy Black fur**

**A Black Panther
one with a powerful roar and
A fierce growl
one that likes to run and jump
one that likes to hunt**

**A Black Panther
one that walks high and proud
one that gets very angry
one that likes to run over
other animals and watch them fall**

**A Black Panther
one that likes water
and the sky
one that enjoys nature**

**A Black Panther
one that's not proud to be a panther
but is proud to be a Black panther**
